PRODUCT DESCRIPTION:

Deep Blue Polish is for heavy-duty cleaning of tarnished metal. This polish is excellent for brass, silver, chrome, gold, and copper. Deep Blue Polish works great on wheels and diamond plate.

FEATURES:

Usage: Metal Polish
Color: Creme Blue
Scent: No
Shelf Life: 1 Year
Surface: Metal
Biodegradable: No
Dilution: No
VOC Compliant: Yes

BENEFITS:

No ammonia or harsh chemicals.

HOW TO USE:

SHAKE WELL BEFORE EVERY USE. Use a small amount on a cloth and apply in a circular motion. Buff off with a soft dry polishing cloth or microfiber towel. This product will not work on painted or coated surfaces. To remove oxidation, rub out with a terry cloth towel as it will pick up more dirt. Use the same blackened towel for the remainder of the job. For heavy-duty jobs, we recommend using a rotary polisher.

WARNINGS:

Harmful if swallowed
Causes skin irritation
Causes serious eye irritation
